Notice of Final Results of the Entergy Arkansas, LLC's 2022 Request for Proposals for Renewable Resources

Please be advised that Entergy Arkansas, LLC (EAL), acting under the oversight of the Independent Monitor, has concluded its evaluation of the 2022 EAL Renewable RFP (RFP), which solicited up to 1,000MW of renewable resources.

EAL has selected three proposals to be placed on the Primary Selection List, as well as two proposals to be placed on the Secondary Selection List which should allow procurement of at least 1,000 MW of resources with a balance of Purchase Power Agreements and Build Own Transfer proposals.

EAL will provide additional information about the preferred proposals if and after the parties reach a definitive agreement based on the terms of the proposal.

Entergy Services, LLC (ESL), on behalf of EAL, has notified each Bidder whose proposal has been eliminated from the RFP.
