46.0. INTERNAL RESTRUCTURING CREDIT RIDER

46.1. PURPOSE

The purpose of this rider is to provide retail customers with guaranteed credits associated with the internal restructuring approved by the Arkansas Public Service Commission.

46.2. APPLICATION

IRCR applies to all electric service provided under any rate schedule, whether metered or unmetered, including rates under Special Contracts, subject to the jurisdiction of the Arkansas Public Service Commission.

In addition to the rates and charges applicable to service under other rate schedules and riders, monthly base rate billings will be reduced by the percentage rates on Attachment A to this IRCR. These percentage rates shall become initially effective with the first billing cycle of January, 2019 and subsequently adjusted IRCR percentage rates shall be effective with the first billing cycle of January each year. Monthly billing will continue through cycle 21 of the December, 2024 billing month.

46.3. ANNUAL REVISION

- A. EAL shall determine revised IRCR percentage rates annually and file a revised Attachment A containing such revised percentage rates with the Commission on or before November 1 of each year. Such revised percentage rates will be based on the most recent revenue forecast for the effective year.
- B. The Commission Staff shall then have until December 15 to review the annual revisions to Attachment A. If any errors are detected, they shall be communicated to EAL by the Commission Staff in writing on or before December 15. EAL shall then have until December 31 to prepare and file a corrected Attachment A with the Commission.
